Tests

I hate tests. Who was it who decided that tests are a good way to test your knowledge? It is probably someone who liked putting students through pain. Tests are (21)..... unfair. People who are good at (22)..... lots of things for a short time are good at tests. People who are (23)..... but panic in tests are not good at tests. Many clever people (24)..... tests. Sometimes you can be (25)..... unlucky and you get some (26)..... questions, so you fail. I am sure (27)..... are better ways of testing without tests. Project work is good – that way the teachers can see (28)..... good your work is throughout the year. I (29)..... some tests are necessary. Driving tests are a good way of testing your ability (30)..... you have a bad day.
